Dear Impact100 Member,

Thank you for joining Impact100 _____. Thanks to you, we are able to offer NUMBER grants of $10X,XXX to our community this year! That's $xxx,000 available to local nonprofits addressing the most pressing needs of __NAME OF_ OUR TOWN.

As you may know, at Impact100 NAME, we encourage you to design your Impact100 experience by determining your level of involvement. To help you select *your* best adventure, here are some opportunities to consider:

JOIN A FOCUS AREA COMMITTEE

No prior experience needed! We will train you to review and assess grant applications submitted to Impact 100 – including making Site Visits to nonprofits who have applied. You'll participate in discussion and analysis to narrow the field of applicants in a particular Focus Area down to a single Finalist.

HELP US GROW!

Join our Impact100 membership team and you will play a major role in retaining and growing our Impact! Host an event or bring your friends to one of our membership recruiting events around town. We are only as powerful as the women who join us – you can help us reach those women who haven't yet heard of our powerful work.

HOSTESS WITH THE MOSTESS

Our big three Signature events are The BIG Reveal, Meet the Finalists, and our Annual Meeting. Put your hostess and organizational skills to work to help us to plan and execute these events flawlessly!

SOCIAL MEDIA SAVVY

Communicate our message through Facebook, Twitter, Instagram as well as email and website copy. Use your creativity to spread the word about Impact100.

FIND NEW WAYS TO SUPPORT OUR WORK

The Impact100 Model calls for 100% of our membership donations to go out to fund our transformational grants. Help cultivate donors wishing to support our infrastructure or sponsor our events. Whether gifts of cash or an in-kind donation, your work will really assure we thrive.

MENTOR

Become a mentor and connect with new members to insure everyone feels valued, welcomed and connected. Serve as a guide to encourage a warm Impact100 experience for everyone.

TECH GENIUS OR GRAPHIC ARTIST

If you know tech – we need you! Whether you are digital Picasso, skilled at a particular software or database, or simply enjoy searching out the solutions to complicated problems, please join us!

NUMBERS GURU

If numbers and financial analysis are your thing, please join us. By serving on our financial review committee (CIRC) or helping out our treasurer, your skills will be put to good use!

NAME YOUR PLACE!

If you have a skill or an interest you feel would benefit the cause, please let us know. We would love to get you connected.
